

PATHWAY Forum Agenda

Lake Tahoe TMDL

April 3, 2008, 8:30a.m.– 4:30p.m.

Topic: Today the TMDL team presents the recommended strategy and how they've used the Forum's input in the final TMDL. The TMDL team will also present the consideration of allocations of load reductions and recommendations. TRPA will give an update on the Regional Plan alternative and schedule. The USFS LTBMU will give an update on the proposed new Forest Plan, process and timeline.

Location: North Tahoe Conference Center, Aspen room
